2019 Repairs service price list - Products no under warranty(warranty expired) or Products under warranty and no fault is found

Series Code		Euro (€)
DISPTS015	Standard costs for inspection product and research problems (check + testing)	129,50
DISPTS019	Standard costs for inspection product and research problems (check + testing)	142,20
ET5200	Standard costs for inspection product and research problems (check + testing)	199,80
ET5400	Standard costs for inspection product and research problems (check + testing)	226,80
ET5800	Standard costs for inspection product and research problems (check + testing)	158,40
EW104	Standard costs for inspection product and research problems (check + testing)	101,10
EW107	Standard costs for inspection product and research problems (check + testing)	119,80
EW112	Standard costs for inspection product and research problems (check + testing)	213,40
EW115	Standard costs for inspection product and research problems (check + testing)	225,80
EW212	Standard costs for inspection product and research problems (check + testing)	238,90
EW215	Standard costs for inspection product and research problems (check + testing)	238,70
EW218	Standard costs for inspection product and research problems (check + testing)	260,40
EW222	Standard costs for inspection product and research problems (check + testing)	283,90
EW315	Standard costs for inspection product and research problems (check + testing)	161,70
EW322	Standard costs for inspection product and research problems (check + testing)	187,30
EW400	Standard costs for inspection product and research problems (check + testing)	204,20
EW410	Standard costs for inspection product and research problems (check + testing)	154,40
EW420	Standard costs for inspection product and research problems (check + testing)	179,50
EW600A	Standard costs for inspection product and research problems (check + testing)	53,90
EW600B	Standard costs for inspection product and research problems (check + testing)	29,00
EW600C	Standard costs for inspection product and research problems (check + testing)	35,90
EW600D	Standard costs for inspection product and research problems (check + testing)	58,00
EW600E	Standard costs for inspection product and research problems (check + testing)	51,10
EW600N	Standard costs for inspection product and research problems (check + testing)	47,50

IT104	Standard costs for inspection product and research problems (check + testing)	108,50
IT105	Standard costs for inspection product and research problems (check + testing)	114,40
IT105K	Standard costs for inspection product and research problems (check + testing)	165,00
IT107	Standard costs for inspection product and research problems (check + testing)	209,50
IT107W	Standard costs for inspection product and research problems (check + testing)	151,50
IT107W INOX	Standard costs for inspection product and research problems (check + testing)	180,90
IT110	Standard costs for inspection product and research problems (check + testing)	237,10
IT112	Standard costs for inspection product and research problems (check + testing)	262,10
IT112 INOX	Standard costs for inspection product and research problems (check + testing)	181,90
IT115	Standard costs for inspection product and research problems (check + testing)	169,90
MODULO FLASH	Standard costs for inspection product and research problems (check + testing)	77,10
MT20DP	Standard costs for inspection product and research problems (check + testing)	95,30
PC 1000-130	Standard costs for inspection product and research problems (check + testing)	226,80
PC 1000-170	Standard costs for inspection product and research problems (check + testing)	236,00
PC 11xx-xxx	Standard costs for inspection product and research problems (check + testing)	246,80
PC 12xx/13xx	Standard costs for inspection product and research problems (check + testing)	226,20
PC 2000	Standard costs for inspection product and research problems (check + testing)	244,90
PC 21xx	Standard costs for inspection product and research problems (check + testing)	277,60
PC 221x	Standard costs for inspection product and research problems (check + testing)	248,00
PC 222x	Standard costs for inspection product and research problems (check + testing)	231,00
PC 223x	Standard costs for inspection product and research problems (check + testing)	281,10
