

## UPS Bicker

Alimentazione elettrica senza interruzioni.

<b>EWUPS00000000BK</b>	
Input voltage	DC
Output current max. convection cooled in A	4
Input voltage DC in V	24
Output power in W	96
Mounting	DIN-Rail
Output voltage	24VDC
UPS storage medium	Li-Ion
Backup time for 96W Load	15 minutes
Backup time for 25W load	60 minutes
Intelligent power sharing	YES
Regulated output voltage in backup mode	YES
Minimum load detection	YES
Power fail Timer Function	YES
Relay dry contact on power fail	YES
USB (SW utility for monitoring/shutdown OS)	YES
RS232 interface ( Command Line Interface Only)	YES
Reboot function	YES
Certifications	IEC/EN/UL 61010-1/-2-201
